To

The Dewan of Mysore.

Dated Bangalore, 31 October 1902.

Sir,

I am directed to acknowledge the receipt of letter, No.831-J.75, dated the 16th July 1902, from the Secretary to the Government of Mysore, General and Revenue Departments, requesting that the sanction of the Government of Madras may be obtained to the grant, by the Mining Board of the Kolar Gold Fields, of a monthly allowance of ₹100/- to Mr. P.B. Thomas, Superintendent of Police, Kolar Gold Fields, in consideration of the help which is being received from him by the Watching Establishment of the Board.

2. In commending the Darbar's proposal to the Madras Government, the Resident mentioned that he had visited the Gold Fields and examined the working of the watchmen

watchmen system devised by Sir J. Lambert, K.C.I.E, and that it seemed to him quite clear that those arrangements could only continue to be effective, provided they were closely supervised by Mr. Thomas. It was further stated that this work was beyond the ordinary duties of Mr. Thomas and entailed on him a considerable amount of extra trouble and responsibility.

3. Colonel Robertson regrets that his view has not been accepted by His Excellency the Governor in Council, who is of opinion that the whole time of Mr. Thomas is at the disposal of Government and that the help which he is rendering to the watching establishment of the Mining Board should be given in addition to his ordinary duties and without extra remuneration.

4. Under these circumstances, the Resident considers that it would be of no advantage to make a reference to the Government of India in the matter, seeing that Mr. Thomas is an officer of the Madras Government and that that Government has the right to control the allowances he receives.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.

Dated Bangalore, 9 September 1903.

Sir,

I am directed to invite a reference to my lette No. 5503, dated the 2nd October 1902, regarding the proposal the Mining Board of the Kolar Gold Fields to grant a monthly allowance of ₹100/- to Mr. P.B.Thomas, Superintendent of Pol: Kolar Gold Fields for supervising the watchmen of the Mines.

2. The proposal was recommended to the Government of India both by the Madras Government and by the Resident. His Excellency the Governor General in Council, however, while agreeing that it is doubtless true that Mr. Thomas's duties ar of a difficult nature, that he has performed them satisfactori and that he ought to supervise the watchmen of the Mines, is c opinion that the control of the watchmen comprises a part of t ordinary duties of the District Superintendent of Police, and consequent

consequently not prepared to sanction the proposed allowance for this officer.
